Hi Mary,

I have this on my Calendar.

The dates for the RA are tentative now. We are in the process of trying to work out a schedule. Please do not share this at this time until we have had a chance to discuss this with the City of Columbia Falls and others. I want to be sure they agree with our plans.

Thanks
Mike

Mike and Robert,

I hope this note finds all well for both of you.

I wanted to confirm with you the date for the panel meeting is set for May 9. We plan to start with an overview of the project and then, there will be a tour of the site. I will work on the agenda as we get closer and make certain you have a chance to review it. Mike Ritorto will be providing the overview; Steve Wright is scheduling buses. We will promote the event as open to the public using various approaches, which I can share with Robert. All are those used for previous meetings.

I look forward to hearing from Robert about the administrator's visit, which John told me has been set for June 18. He said you plan to host a meeting at city hall at some point in the day.

Let me know if you have any questions.

Much thanks,
Mary
